COURT ACTION: **MINUTE ORDER**

DEFENDANT'S MOTION TO CONTINUE SENTENCING filed on March 14, 2007 (Doc. 80) is **DENIED**.

As the Government pointed out in their March 16, 2007 response to the Defendant's motion to continue, this case has been continued numerous times at the request of the Defendant. The Court notes the Government has made discovery available to the new defense attorney since February 23, 2006. The defense has an additional two and one-half more months prior to sentencing. There is ample time to deal with the issues presented here.
